5. Event program

Products and services are only authorised for display at the Event if, in the opinion of RAI, they conform to the scope of the Event. Authorisation is at the full discretion of RAI, or any committee designated by RAI.

6. Participants

Participants may be manufacturers, representatives, importers, wholesalers, exporters, publishing companies and other service providers, as long as they are economically active in the field of traffic management, infrastructure, smart mobility, road safety and parking. Authorisation is at the full discretion of RAI, who may refuse Participants without incurring any liability.

7. Demonstrations

Special activities at stands, such as product presentations, performances and shows, may only take place if written permission is granted by the RAI. Please note that permission must be requested in writing at the latest 30 days before the beginning of the construction period. This permission is subject

to various conditions, including that the activity must be situated in such a way that interested visitors do not block the corridor.

8. Participation package

A registration fee of USD 500 is charged per application. The registration fee is non-refundable. This registration fee includes:

- Name on participants list in the exhibition catalogue.
- Name on participants list website of (www.intertraffic.com).
- Company page ("MyPage") for brief company presentation at website www.intertraffic.com.
- Access to the Exhibitor Portal and Web Shop and ability to use several offers from preferred suppliers.
- Participant badges (based on the size of the stand).

For each additional party that exhibits within the space rented by a main Participant, a registration fee of USD 500 will be charged to the main Participant. This 'co exhibitor' will receive the same package as the main participant (see mentioned above). Please fill in an additional registration form per co-exhibitor.

9. Costs of Stand Space

The rental price per square metre (m²) of floor space USD 445 excluding stand construction.

Participants which apply before 29 September 2026, will receive an early bird rate of USD 410 m² excluding stand construction.

Participants which apply before 30 May 2026, will receive an Founding partner rate of USD 369 m² excluding stand construction.

For all stand space less than 16 m², the use of the shell scheme construction from the organisers is mandatory.

RAI reserves the right to increase the stand space rental price by a maximum of USD 50 (excluding VAT) per square meter if, in RAI's judgment, rising energy consumption costs warrant such an increase, without this granting the Participant any right to cancel participation in the Event free of charge.

10. Stand construction

Participants who do not wish to use shell scheme stand construction must ensure that their stand has, at least, self-supporting side and rear walls, company name and stand number indication, carpet tiles and (Led)lighting. Participants constructing anything higher or lower than 2.50 metres will have to finish off their stand accordingly, including adjacent stands where applicable.

All participants who do not use a shell scheme stand are required to send their stand design to the RAI for approval. More information regarding stand construction is included in the Accommodation Rules.

Participants may hire a shell scheme stand from the organisers. Standard Shell scheme price is 80 USD per sqm. For all stands of less than 16 m², the use of the shell scheme construction from the organisers is mandatory.

Regarding multi-story construction, Participant is also required to pay a rental price, which is calculated based on the number of square meters of the floor area times half the price per square meter.

11. Terms of Payment

In accordance with the Standard Event Terms.

12. VAT Regulations

Due to VAT rules regarding the place of supply of services, whereby RAI does not have to invoice Dutch VAT on stand rental and stand construction, Participants must enter their full VAT number on the Registration Form or enclose a statement from the tax authorities that qualifies them as a taxable person. If this information is not provided, RAI is obliged to charge Dutch VAT on all its invoices. This rule only applies to non-Dutch Participants from EU member states.
