INTERTRAFFIC PROUDLY PRESENTS

ITSUP

Are you a startup within the traffic technology and automotive market?

Do you want to get in contact with business leaders, stakeholders, potential partners and investors?

Then ITSUP is the ideal platform for you!

Present your smart solution to thousands of dedicated industry professionals from all over the globe and benefit from a worldwide marketing campaign.

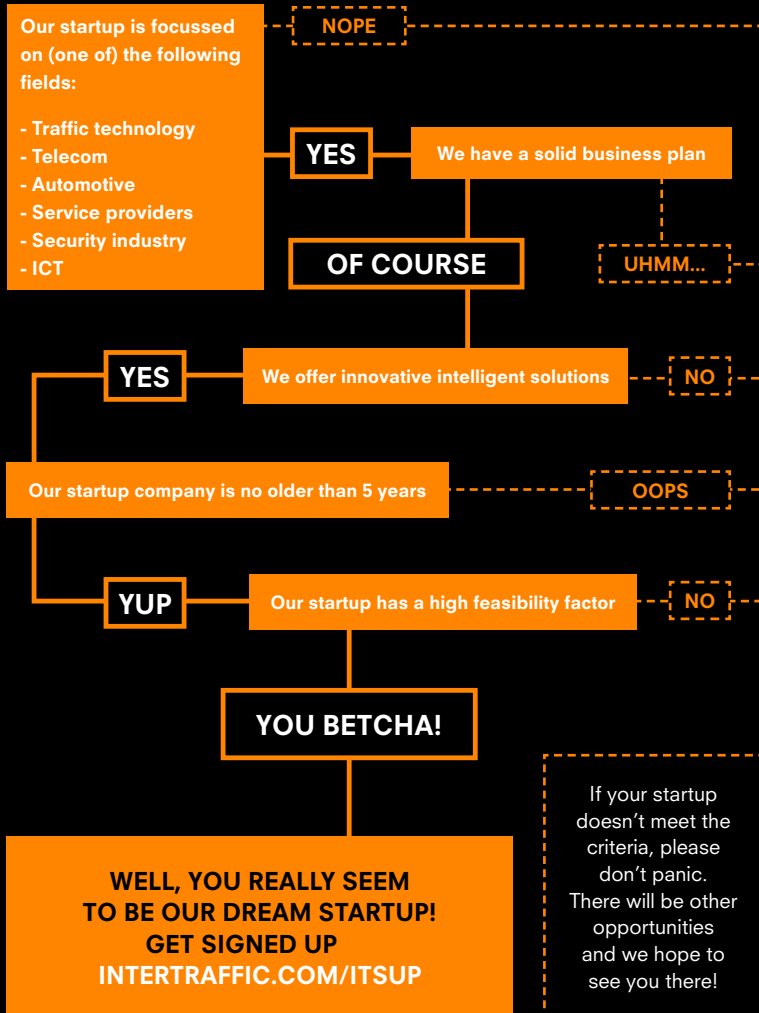

Intertraffic is the largest global platform connecting professionals from the traffic, mobility and automotive industries. That's why, the **ITSUP** event at Intertraffic provides you with the perfect stepping stone to present your solutions to a large international quality audience of traffic professionals.

ITSUP is staged in a dedicated area. You get an allocated exhibition area of approx. 6m2. Plus, there are opportunities for presentations, live demonstrations and networking.

Startups pay a small participation fee.
